CHILDREN'S FARES

DISCOUNTS APPLY TO ALL INTRA-LINE AND INTER-LINE TICKETS WHERE JEFFERSON LINES IS THE ORIGINATING CARRIER

IMPORTANT CHILD TRAVEL INFORMATION

- o All children and young adults should be prepared to produce a photo ID with proof of age to avoid being refused from traveling on Jefferson Lines.
- o Children's fare will be based on the full fare paid by the accompanying adult and cannot be combined with other discounted fares or special promotions.
- o Children's fare may not always be available.
- o No children's fare will be honored for tickets destined for casinos.
- o State of Illinois only - No tickets will be sold for interstate or intrastate transportation of unaccompanied minor children under the age of 17 from locations within the state of Illinois.
- o Children ages 2-16 are not allowed to travel in to or out of the U.S. unless accompanied by someone 17 years of age or older.

The subsequent rules are the basis for determining children's fares. The carriers reserve the right to refuse to transport children from their origin, when the supervisory of such children is inadequate by the judgment of the supervisory personnel of the origin carrier.

- o Under 2 Years of Age: One (1) child who has not reached his or her second (2nd) birthday can travel for free when accompanied by a passenger who is at least seventeen (17) years of age and will not occupy a seat of their own (the child can sit on the accompanying passenger's lap). For children under 2 years of age who will need to occupy a seat to the exclusion of another passenger, please see restrictions for "Ages 2-16."
- o Ages 2-11: All passengers who have not reached their twelfth (12th) birthday must be accompanied by a passenger of seventeen (17) years of age or older. Children ages 2-11 receive twenty percent (20%) off the full adult fare when traveling with a passenger seventeen (17) years or older paying full adult fare and on the same itinerary (both outbound and return). Limit two (2) children fare tickets per one (1) adult fare ticket. Additional children ages 2-16 in the travel party may be subject to paying the full adult fare.
- o Ages 12-16: Children ages 12-16 receive twenty percent (20%) off the full adult fare when traveling with a passenger seventeen (17) years or older paying full adult fare and on the same itinerary (both outbound and return). Children age 12-16 are allowed to travel unaccompanied but with certain restrictions, including completion of the Unaccompanied Child Form and must comply with the guidelines regarding the transportation of Unaccompanied Children as outlined in the Policy Affecting Unaccompanied Children.

POLICY AFFECTING UNACCOMPANIED CHILDREN:

Children between ages twelve (12) and sixteen (16) years old can travel alone (unaccompanied) subject to the following restrictions:

- 1) An Unaccompanied Child Form must be completed at the station at the time of purchase so that the child passenger's ID can be verified, Jefferson Lines can receive consent for the child to travel, and a designated person is assigned to pick up the child at the destination. These steps are necessary to ensure the safe travel of the unaccompanied child.
- 2) The trip should be direct (no transfer of schedules or buses).
- 3) The trip cannot exceed a maximum of 8 hours of travel each way (outbound or return) and must occur during the hours of 7:00AM and 8:00PM.
- 4) The origin and destination stations should be fully serviced Jefferson Lines stations (no curbside stops) and the station should be open when the child's bus is scheduled to arrive.
- 5) The child must have and carry with him/her a copy of the signed Unaccompanied Child Form, giving them permission to travel.
- 6) The person named on the Unaccompanied Form who is picking up the child must present positive photo ID, such as a driver's license or state issued ID. Without the correct ID, the child may be released into the custody of Child Protective Services or to local law enforcement.
- 7) Tickets for unaccompanied children can only be purchased in person (not online) at the departing Jefferson Lines station.
- 8) A \$15 one-way and \$30 roundtrip fee must be paid at the point of purchase for each child traveling unaccompanied.

Unaccompanied Child Form: The parent, guardian, or legal custodian of the child must complete and sign the Unaccompanied Child Form, in person at the originating Jefferson Lines station, authorizing the child to make the trip. The form must be returned to the station manager on duty. The form specifically names the person authorizing the trip, the designated person meeting the child at the destination station, and the telephone number(s) at which both persons may be contacted. It must also provide an emergency contact name and telephone number in the event it is needed.
